# LEGISLATIVE JOINT AUDITING COMMITTEE ARKANSAS LEGISLATIVE AUDIT

Financial and Compliance Report

Town of Pyatt, Arkansas Officials and Council Members Legislative Joint Auditing Committee

A priority of Arkansas Legislative Audit is to assist local government officials by promoting sound financial management and accountability of government resources. The Legislative Auditor reports on the fiscal affairs of local governments, as well as compliance with relevant state laws and observance of good business practices to provide accountability for tax dollars expended to support government operations.

We have performed certain limited procedures with respect to cash basis financial information and compliance with certain state laws and accepted accounting practices for the Town of Pyatt, Arkansas, as of and for the years ended December 31, 2022 and 2021, and have issued our report thereon dated October 2, 2023. These procedures were not performed for the Water Department. Management of the Town is responsible for maintaining the financial records and complying with state laws and accepted accounting practices.

The findings contained in this section relate to the following officials who held office during 2022 and 2021:

Mayor: Ken Hancock Recorder/Treasurer: Kim Sullivan

We evaluated the Town's compliance with certain state laws concerning general accounting, budgeting, purchasing, and investing and depositing of public funds.

Noncompliance with state law and accepted accounting practices was noted in the offices of Mayor and Recorder/Treasurer.

#### Mayor

General and Street Fund budgets for 2022 and 2021 were not provided, in noncompliance with Ark. Code Ann. §§ 14-58-201 - 14-58-203, 14-59-114. A similar finding was noted in the previous seven reports dating back to 2003.

#### **Recorder/Treasurer**

- 1. Cash receipts and disbursements journals were not provided, as required by Ark. Code Ann. §§ 14-59-110, -111. A similar finding was noted in the previous report.
- 2. Prenumbered receipts were not issued for all funds received, as required by Ark. Code Ann. § 14-59-109.
- 3. The following issues were noted while reviewing the Town's payroll process:
  - Payroll records, Internal Revenue Service (IRS) Quarterly 941 Forms, IRS W-2 Forms, IRS W-3 Forms, and Arkansas Department of Finance and Administration (DFA) Form AR3 were not provided for 2022 and 2021, in noncompliance with Ark. Code Ann. § 14-59-114.
  - We were unable to determine if salaries paid to the Mayor and Recorder/Treasurer were properly authorized because budgets and council minutes were not provided for 2022 and 2021.

A similar finding was noted in the previous four reports dating back to 2009.

- 4. Disbursements were not always made by prenumbered check and the electronic disbursements were made without proper approval from the governing body, as required by Ark. Code Ann. § 14-59-105. A similar finding was noted in the previous two reports dating back to 2015.
- 5. Annual financial statements were not prepared and posted, as required by Ark. Code Ann. § 14-59-116.

This report is intended solely for the information and use of the Legislative Joint Auditing Committee, local Town government, state executive and oversight management, and other parties as required by Arkansas Code, and is not intended to be and should not be used by anyone other than these specified parties. However, pursuant to Ark.
