### Financial and Compliance Report

Town of Sedgwick, Arkansas Officials and Council Members  
Legislative Joint Auditing Committee

A priority of Arkansas Legislative Audit is to assist local government officials by promoting sound financial management and accountability of government resources. The Legislative Auditor reports on the fiscal affairs of local governments, as well as compliance with relevant state laws and observance of good business practices to provide accountability for tax dollars expended to support government operations.

We have performed certain limited procedures with respect to cash basis financial information and compliance with certain state laws and accepted accounting practices for the Town of Sedgwick, Arkansas, as of and for the year ended December 31, 2023, and have issued our report thereon dated February 6, 2025. These procedures were not performed for the Water and Sewer Fund. Management of the Town is responsible for maintaining the financial records and complying with state laws and accepted accounting practices.

The commentary contained in this section relates to the following officials who held office during 2023:

Mayor: Stanley Debow

We evaluated the Town's compliance with certain state laws concerning general accounting, budgeting, purchasing, and investing and depositing of public funds.

During our evaluation, nothing came to our attention that would warrant disclosure in this report.

This report is intended solely for the information and use of the Legislative Joint Auditing Committee, local Town government, state executive and oversight management, and other parties as required by Arkansas Code, and is not intended to be and should not be used by anyone other than these specified parties.
