Financial and Compliance Report

Town of Jericho, Arkansas Officials and Council Members Legislative Joint Auditing Committee

A priority of Arkansas Legislative Audit is to assist local government officials by promoting sound financial management and accountability of government resources. The Legislative Auditor reports on the fiscal affairs of local governments, as well as compliance with relevant state laws and observance of good business practices to provide accountability for tax dollars expended to support government operations.

We have performed certain limited procedures with respect to cash basis financial information and compliance with certain state laws and accepted accounting practices for the Town of Jericho, Arkansas, as of and for the year ended December 31, 2021, and have issued our report thereon dated November 14, 2022. These procedures were not performed for the Wastewater Fund. Management of the Town is responsible for maintaining the financial records and complying with state laws and accepted accounting practices.

The findings contained in this section relate to the following officials who held office during 2021:

Mayor: Ida Shumpert Recorder/Treasurer: Elaine Dupree District Court Clerk: Vacant Police Chief: Roy Hill

We evaluated the Town's compliance with certain state laws concerning general and district court accounting, budgeting, purchasing, and investing and depositing of public funds.

Noncompliance with state law and accepted accounting practices was noted in the offices of Mayor and Recorder/Treasurer.

# Mayor and Recorder/Treasurer

Although Schedule 1 of this report shows a balance of \$41,116 in the General Fund, it was brought to our attention that as of December 31, 2021, the General Fund owed a significant amount to the Street Fund. As shown in Note 7 on Schedule 3 when this outstanding account was considered, the General Fund had a deficit balance of \$17,874. A similar finding was noted in the previous report.

## **Recorder/Treasurer**

Property taxes restricted for Street purposes of \$393 were not transferred from the General Fund to the Street Fund, as required by Ark. Code Ann. § 26-79-104. Also, restricted funds of \$58,597 noted in previous years were not transferred resulting in \$58,990 due from the General Fund to the Street Fund, in noncompliance with Ark. Code Ann. 14-59-104. The governing body determined \$50 a month would be remitted to the Street Fund for amounts owed; however, this payment schedule was not followed. A similar finding was noted in the previous report.

This report is intended solely for the information and use of the Legislative Joint Auditing Committee, local Town government, state executive and oversight management, and other parties as required by Arkansas Code, and is not intended to be and should not be used by anyone other than these specified parties. However, pursuant to Ark. Code Ann. § 10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record and distribution is not limited.
