INDEPENDENT ACCOUNTANTS' REPORT
ON APPLYING AGREED-UPON PROCEDURES

To the Board of Directors
Chidester, Arkansas

We have performed the procedures enumerated below on the accounting records of Highway 4 & 24 Water Association as of and for the year ended July 31, 2022. Highway 4 & 24 Water Association's management is responsible for the entity's accounting records.

Highway 4 & 24 Water Association has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of satisfying annual reporting requirements of the Arkansas Division of Legislative Audit. Additionally, the Arkansas Legislative Joint Auditing Committee has agreed to and acknowledged that the procedures performed are appropriate for their purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

1. Cash and Investments

- a. Perform a proof of cash for the year and reconcile year-end bank balances to book balances.
- b. Confirm with depository institutions the cash on deposit and investments.
- c. Agree the proof of cash ending balances to the book balances within 5% or \$500, whichever is greater.

We found no exceptions as a result of the procedures.

2. Receipts

- a. Agree the deposits per the proof of cash for the year with the deposits per the journal within 5% or \$500, whichever is greater.
- b. Agree ten customer payments on the accounts receivable sub ledger to deposit and billing documents.
- c. For ten deposits, agree the cash/check composition of the deposit with the receipt information.

We found no exceptions as a result of the procedures.

3. Accounts Receivable

- a. Agree ten customer billings to the accounts receivable sub ledger.
- b. Determine that five customer adjustments were properly authorized.

Step 3.b. could not be completed. This information was not available.

4. Disbursements

- a. Agree the disbursements per the proof of cash for the year with the disbursements per the journal within 5% or \$500, whichever is greater.
- b. Analyze all property, plant and equipment disbursements.
- c. Select all disbursements paid to employees other than payroll and ten other disbursements and determine if they were adequately documented.

We found no exceptions as a result of the procedures.

5. Property, Plant, and Equipment

- a. Determine that additions and disposals were properly accounted for in the records. (Materiality level – 5% of total equipment or \$500, whichever is greater.)

We found no exceptions as a result of the procedure.

6. Long-Term Debt

- a. Schedule long-term debt and verify changes in all balances for the year.
- b. Confirm loans, bonds, notes, and contracts payable with lender/trustee/contractor.
- c. Determine that the appropriate debt service accounts have been established and maintained.

We found no exceptions as a result of the procedures.

7. General

- a. Determine that any items of financial significance were approved and documented in the minutes of the governing body's meetings.

We found no exceptions as a result of the procedure.

We were engaged by Highway 4 & 24 Water Association to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the accounting records of Highway 4 & 24 Water Association. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of Highway 4 & 24 Water Association and to meet other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of Highway 4 & 24 Water Association and the Arkansas Legislative Joint Auditing Committee, and is not intended to be and should not be used by anyone other than those specified parties.

HIGHWAY 4 & 24 WATER ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2022

Note 1. Significant Accounting Policies:

The Highway 4 & 24 Water Association was formed as a domestic non-profit corporation, without capital stock, on June 14, 1984, under the laws of the State of Arkansas, for the primary purpose of associating members together for their mutual benefit to construct, maintain and operate a private water system for the supplying water to its members, in designated areas of Ouachita County, Arkansas and Nevada County, Arkansas, and engage in any activity related thereto. An elected Board of Directors conducts operations of the corporation.

The accounting policies of the Highway 4 & 24 Water Association are designed to conform to accounting principles generally accepted in the United States of America applicable to domestic non-profit corporations engaged in the supplying water to its members, applying the principles which require that net assets of the non-profit corporation be classified as either with donor restrictions or without donor restrictions based on their nature and the existence or absence of specific restrictions.

The Highway 4 & 24 Water Association uses the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when they are incurred. Unrecorded billings for water and other services are recorded at year-end and unpaid incurred expenditures are recorded at year-end.

For purposes of the Statement of Cash Flows, the Highway 4 & 24 Water Association considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents.

The Highway 4 & 24 Water Association, member water usage is billed to the users (members) in the month of usage and recorded as accounts receivable.

Property and equipment are valued at historical cost. Donated property and equipment are valued at their estimated fair market value on the date donated.

The Highway 4 & 24 Water Association accounts for its property and equipment on a cost of service or "capital maintenance" measurement focus, i.e., all assets or liabilities (whether current or non-current) is included on its balance sheet.

Depreciation is provided in amounts sufficient to relate the cost of depreciable assets to operations over their estimate service lives, and depreciation is calculated using the straight-line method over the estimated useful lives as follows:

Buildings	20 Years
System Lines and Tanks	40 Years
Survey Cost and Administration	15 Years
System Equipment	7 Years
Office Equipment	5 Years

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Management has evaluated subsequent events through September 16, 2024, the date the financial statements were available for issuance.

HIGHWAY 4 & 24 WATER ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2022

Note 2. Restricted Assets:
