INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of the
Center Grove Water Users' Association, Inc.

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the Center Grove Water Users' Association, Inc., (the "Organization"), (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position the Organization as of December 31, 2022 and 2021 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information and other information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Organization's basic financial statements. The accompanying Schedule of Insurance in Force is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 13, 2023 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Organization's internal control over financial reporting and compliance.

CENTER GROVE WATER USERS' ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Nature of Operations

The Center Grove Water Users' Association, Inc. (the "Organization") is a not-for-profit corporation established under the laws of the State of Arkansas and is nontaxable for Federal and State income tax purposes under the Internal Revenue Code Section 501(c)12. The Organization was formed to provide rural water service to its constituents in the surrounding rural community.

Method of Accounting

The financial states of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Revenue Recognition

The Organization derives its revenues primarily from water services provided to its customers. Revenues are recognized when control of these services are provided to / transferred to its customers in an amount that reflects the consideration the Organization expects to be entitled to in exchange for those services. Sales and other taxes the Organization collects concurrent with revenue producing activities are excluded from revenue. Other fees charged to customers are reported within revenue. The Organization does not have any significant financing components as payment is received at or shortly after the point of sale.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less when purchased to be cash and cash equivalents. For the purpose of financial reporting, all demand accounts, savings accounts, cash on hand, certificates of deposits, and money market accounts are considered to be cash and cash equivalents.

Accounts Receivable

Accounts receivable relate to water service billings and are recorded at estimated net realizable value. Accounts are written off as they are deemed uncollectible by management based on the length of time outstanding and historical experience. Credit extended to customers is generally uncollateralized. Accounts are due ten days after the billing date. Past-due accounts are charged a late fee penalty. Customers are required to make a deposit and deposits can be offset against the receivable for delinquent billings or returned to the customer when the account is closed.

An allowance for doubtful accounts is maintained. Accounts receivable is shown net of allowance of doubtful accounts that is \$34,132 and \$31,132 as of December 31, 2022 and 2021, respectively.

CENTER GROVE WATER USERS' ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS (continued)

December 31, 2022 and 2021

NOTE 1 (continued)

Property and Equipment

Property and Equipment are recorded at cost, including interest incurred during the construction period. Contributed property is recorded at fair value at the date of contribution. Depreciation is recorded on each class of depreciable property utilizing the straight-line method over the estimated useful lives of the assets. The ranges of estimated useful lives are as follows:

Water Plant	20-40 years
Buildings & Improvements	20-25 years
Vehicles & Equipment	5-10 years

The Organization's capitalization policy states that capital assets are defined as assets with an estimated useful life of greater than one year and value greater than \$1,000. Maintenance and repairs are charged to expense as incurred.

Net Asset Classifications

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of restrictions. Accordingly, net assets and changes in net assets are classified as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor restrictions.

Net Assets With Donor Restrictions – Net assets subject to restrictions that are temporary in nature, such as those that will be met by the passage of time or other specified events or are perpetual in nature, such as those where resources must be maintained in perpetuity.

Functional Allocation of Expenses

The costs of providing the water services and other program services of the Organization have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated by management among the program and supporting services. The statement of functional expenses presents the natural classification detail of expenses by function.

The Organization classifies as program service expense those items which are directly attributable to the specific water service program. Those expenses which are not directly attributable to the program service are included in management and general expenses.

Federal Tax Status

No provision for federal income taxes is required since the Organization is exempt from income taxes under Section 501(c)(12) of the Internal Revenue Code. The Organization files an exempt return in the U.S. federal jurisdiction.

The Organization's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes the tax returns normally remain open for possible examination for a period of three years after the filing deadline of the respective return.

CENTER GROVE WATER USERS' ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS (continued)

December 31, 2022 and 2021

NOTE 1 (continued)

Date of Management's Review

The Organization evaluated its December 31, 2022 financial statements for subsequent events through April 13, 2023, the date the financial statements were available to be issued. The Organization is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 2 – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

	2022	2021
Cash and cash equivalents	\$ 1,253,389	\$ 1,178,186
Receivables	94,380	72,168
	1,347,769	1,250,354
Less: restricted cash for deposit accounts	(73,661)	(70,244)
Less: restricted cash for debt requirements	(154,791)	(135,413)
Available for general expenditure	<u>\$ 1,119,317</u>	<u>\$ 1,044,697</u>

Restricted cash consists of funds held in reserve by the Organization as required by the U.S. Department of Agriculture – Rural Development (“USDA”). In accordance with loan covenants, the USDA requires the Organization to restrict \$8,800 in cash annually for debt service until the balance equals \$88,000, which equals the amount of principal and interest annual payments. In addition, the USDA requires the Organization to restrict \$25,966 in cash annually for short-lived asset replacement costs until the balance exceeds \$348,000, which equals the expected cost of assets to be replaced during the life of the loan. It is the Organization's policy to use other available cash for equipment replacement or repairs rather than the restricted amounts. The Organization had restricted cash of \$154,791 as of December 31, 2022 and \$135,413 as of December 31, 2021 for the purpose of satisfying the loan covenants.

An additional reserve is required to be maintained to repay customers' deposits upon the closing of the customers' accounts. The total deposits held with the Organization required to be reserved at December 31, 2022 and 2021 are \$73,661 and \$70,244, respectively.

The Organization's goal is generally to maintain financial assets to meet 180 days of operating expenses (currently approximately \$360,000). As part of its liquidity plan, excess cash is held in timed deposits.

NOTE 3 – CERTIFICATES OF DEPOSIT AND INVESTMENTS

The schedule below is designed to disclose the level of custodial credit risk assumed by the Organization based upon how its deposits were insured or secured by pledged securities, or unsecured at December 31, 2022.

CENTER GROVE WATER USERS' ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS (continued)

December 31, 2022 and 2021

NOTE 3 (continued)

Category 1 – Insured FDIC or secured with securities held by the Organization (or public trust) or by its agent in its name.

Category 2 – Uninsured but collateralized with securities held by the pledging financial institutions' trust department in the Organization's name.

Category 3 – Unsecured and uncollateralized, or collateralized with securities held by the pledging institution, or by its trust department or agent in the Organization's name, or collateralized with no written or approved collateralized agreement.

The level of security for the Organization's bank deposits are as follows:

2022				
Depository	Total	Category 1	Category 2	Category 3
Bank A	\$ 910,137	\$ 250,000	\$ 660,137	\$ -
Bank B	326,257	250,000	76,257	-
Bank C	25,055	25,055	-	-
Bank D	13,149	13,149	-	-
Total	<u>\$ 1,274,598</u>	<u>\$ 538,204</u>	<u>\$ 736,394</u>	<u>\$ -</u>

2021				
Depository	Total	Category 1	Category 2	Category 3
Bank A	\$ 759,795	\$ 250,000	\$ 509,795	\$ -
Bank B	242,112	242,112	-	-
Bank C	150,052	150,052	-	-
Bank D	35,656	35,656	-	-
Total	<u>\$ 1,187,615</u>	<u>\$ 677,820</u>	<u>\$ 509,795</u>	<u>\$ -</u>

The amounts shown are bank ledger balances of the referenced banks' deposits and may differ from the Organization's general ledger balances.

	2022	2021
Meter deposits	\$ 73,661	\$ 70,244
Debt reserve requirements	154,791	135,413
Total restricted cash	<u>\$ 228,452</u>	<u>\$ 205,657</u>

CENTER GROVE WATER USERS' ASSOCIATION, INC.
NOTES TO THE FINANCIAL STATEMENTS (continued)

December 31, 2022 and 2021

NOTE 4 – PROPERTY AND EQUIPMENT

Property and Equipment consisted of the following balances at December 31, 2022 and 2021:

	2022	2021
Land	\$ 176,926	\$ 176,926
Inventory items	58,684	58,684
Distribution system	6,182,783	6,142,282
Water plant facility	304,955	304,955
Construction in progress	28,309	-
	<u>6,751,657</u>	<u>6,682,847</u>
Accumulated depreciation	<u>(3,380,990)</u>	<u>(3,204,974)</u>
	<u><u>\$ 3,370,667</u></u>	<u><u>\$ 3,477,873</u></u>

NOTE 5 – LONG-TERM DEBT

Long-term debt consisted of the following at December 31, 2022 and 2021:

	2022	2021
Note payable to the USDA for the purchase of property and equipment, payable in 480 monthly installments of \$6,560, including principal and interest through 2056; interest at 2.375%, secured by property and equipment	\$ 1,834,420	\$ 1,869,126

Annual debt service requirements to maturity based on current interest rates for long-term debt are as follows for the year ending December 31, 2022:

2023	\$ 35,507
2024	36,360
2025	37,233
2026	38,127
2027	39,042
Thereafter	<u>1,648,151</u>
	<u><u>\$ 1,834,420</u></u>

NOTE 6 – RETIREMENT BENEFITS

The Organization maintains a Simple Retirement Plan approved under section 408(p) of the Internal Revenue Code. The Organization has elected to match deferrals up to 3% of the participating employee's salary. Payments to the participants' accounts are made to a Simple IRA in the employee's name at the financial institution. Expenses to the Organization for retirement benefits for the years ended December 31, 2022 and 2021 were \$5,386 and \$3,996, respectively.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of the
Center Grove Water Users' Association, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Center Grove Water Users' Association, Inc. (the "Organization") (a nonprofit organization), which comprise the statement of financial position for the year ended December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 13, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as items 2022-001 that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Organization's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the Organization's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CENTER GROVE WATER USERS' ASSOCIATION, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
For the Year Ended December 31, 2022

SIGNIFICANT DEFICIENCIES

2022-001 - Segregation of Duties

Condition: The Organization did not segregate financial accounting duties relating to initiating, receipting, depositing, disbursing, and recording cash transactions to sufficiently reduce the risks of fraud or error.

Criteria: Proper segregation of controls should be in place to provide reasonable assurance that fraud or error does not occur.

Cause: The Organization has limited financial resources which prevent it from properly segregating financial accounting duties.

Effect: Without proper segregation of duties, opportunity for fraud or error exists.

Recommendation: The Organization should evaluate its internal controls and segregate financial duties to the extent possible with the current staffing levels. The Organization should consider additional oversight where segregation is not possible.

Management's Response: The Organization will segregate financial duties to the extent possible with the current staffing levels.
