A priority of Arkansas Legislative Audit is to assist government officials by promoting sound financial management and accountability of government resources. We have performed certain limited procedures with respect to cash basis financial information and compliance with certain state laws and accepted accounting practices for the Prosecuting Attorney, Ninth Judicial District West as of and for the year ended December 31, 2022, and have issued our report thereon dated May 17, 2023. The Prosecuting Attorney is responsible for maintaining the financial records and complying with state laws and accepted accounting practices.

The commentary contained in this section relate to the following official who held office during 2022:
