Financial and Compliance Report

Legislative Joint Auditing Committee

A priority of Arkansas Legislative Audit is to assist government officials by promoting sound financial management and accountability of government resources. The Legislative Auditor reports on the fiscal affairs of prosecuting attorneys, as well as compliance with relevant state laws and observance of good business practices to provide accountability for tax dollars expended to support government operations.

We have performed certain limited procedures with respect to cash basis financial information and compliance with certain state laws and accepted accounting practices for the Prosecuting Attorney, Eighth Judicial District- South as of and for the year ended December 31, 2024, and have issued our report thereon dated October 31, 2025. The Prosecuting Attorney is responsible for maintaining the financial records and complying with state laws and accepted accounting practices.

The commentary contained in this section relates to the following official who held office during 2024:

Prosecuting Attorney: Connie Mitchell

During our evaluation, nothing came to our attention that would warrant disclosure in this report.

This report is intended solely for the information and use of the Legislative Joint Auditing Committee, the Prosecuting Attorney, state executive and oversight management, and other parties as required by Arkansas Code, and is not intended to be and should not be used by anyone other than these specified parties. However, pursuant to Ark. Code Ann. § 10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record and distribution is not limited.
