INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Honorable Mayor and Town Council
Town of Lafe Wastewater Department
143 Main St
Lafe, AR 72436

We have performed the procedures enumerated below, which were agreed to by the management of the Town of Lafe Wastewater Department, solely to assist you with respect to the accounting records of management as of and for the year ended December 31, 2021. The Town of Lafe Wastewater Department's management is responsible for the company's accounting records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

Cash and Investments

1. A. Perform a proof of cash for the year and reconcile year-end bank balances to book balance.
- B. Determine the ending book balance is within 5% or \$500, whichever is greater, of the proof of cash.
- C. Confirm with depository institutions the cash on deposit and investments.

We found no exceptions as a result of the above procedures.

Receipts

2. A. Determine total receipts per journal are within 5% or \$500, whichever is greater, of deposits per proof of cash
- B. Agree ten (10) customer payments on the accounts receivable subledger to deposit and billing documents.
- C. For one deposit, agree the cash/check composition of the deposit with receipt information.

The above test "B" could not be traced to billing documents. Town of Lafe Wastewater outsources their billings. We traced payments from the outsourcing entity to the receipt and deposit. We found no exceptions as a result of the above procedures.

Accounts Receivable

3. A. Agree ten (10) customer billings to the accounts receivable subledger.
- B. Determine that five (5) customer adjustments were properly authorized.

The above procedures were not tested. Town of Lafe Wastewater outsources their billings.

Disbursements

4.
 - A. Determine total disbursements per journal are within 5% or \$500, whichever is greater, of deposits per proof of cash.
 - B. Analyze all property, plant, and equipment disbursements.
 - C. Determine all disbursements paid to employees other than payroll and ten (10) other disbursements were adequately documented. (Materiality level – 5% of total dollars of selected disbursements or \$500, whichever is greater.)

We found no exceptions as a result of the above procedures.

Property, Plant, and Equipment

5.
 - A. Determine that additions and disposals were properly accounted for in the records. (Materiality level - 5% of total equipment or \$500, whichever is greater.)

We found no exceptions as a result of the above procedures.

Long-Term Debt

6.
 - A. Schedule long-term debt and verify changes in all balances for the year.
 - B. Confirm loans, bonds, notes, and contracts payable with lender/trustee/contractor.
 - C. Determine that the appropriate debt service accounts have been established and maintained.

We found no exceptions as a result of the above procedures.

General

7.
 - A. Determine that any items of financial significance were approved and documented in the minutes of the governing body's meetings.

We found no exceptions as a result of the above procedures.

We were not engaged to, and did not conduct an audit, the objective of which would be the expression of an opinion on the accounting records. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Town of Lape Wastewater Department, Arkansas Natural Resources Commission, and the Division of Legislative Audit, and is not intended to be and should not be used by anyone other than those specified parties. However, pursuant to Arkansas Code Annotated §10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record and distribution is not limited.

INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

To the Honorable Mayor and Town Council
Town of Lafe Wastewater Department
143 Main St
Lafe, AR 72436

Management is responsible for the accompanying financial statements of the Town of Lafe Wastewater Department, which comprise the statement of net position as of December 31, 2021, and the related statements of revenues, expenses, and changes in net position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.
