#### INDEPENDENT AUDITOR'S REPORT

To the Mayor and Members of the City Council Water and Sewer District City of Swifton, Arkansas

#### **Opinion**

We have audited the accompanying financial statements of the Water and Sewer District of the City of Swifton, Arkansas, as of and for the years ended June 30, 2024 and 2023, and the related notes to the financial statements, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Water and Sewer District of the City of Swifton, Arkansas, as of June 30, 2024 and 2023, and the changes in its financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Water and Sewer District of the City of Swifton, Arkansas, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Emphasis of Matter**

As discussed in Note 1, the financial statements present only the Water and Sewer District of the City of Swifton, Arkansas and do not purport to, and do not, present fairly the financial position of the City of Swifton, Arkansas, as of June 30, 2024 and 2023, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
  Water and Sewer District of the City of Swifton, Arkansas' internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information on pages 15 and 16 is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. This information is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

#### **Other Information**

The Water and Sewer District of the City of Swifton, Arkansas, has not presented the management discussion and analysis information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information although not a part of the basic financial statements is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by the missing information.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **ORGANIZATION**

The entity is a component unit of local government organized to provide utility services. The system serves approximately 400 customers and grants credit on terms which are customary for water utilities.

#### FINANCIAL REPORTING ENTITY

These financial statements reflect only the activity of the Water Department Enterprise Fund of the City of Swifton, Arkansas, and, accordingly, do not reflect other activities, funds and account groups of the City.

#### BASIS OF ACCOUNTING

This Swifton Water and Sewer District is a proprietary enterprise fund. All proprietary funds maintain their accounts on the accrual basis of accounting and, accordingly, income is recognized when earned and expenses are recorded when incurred, regardless of when cash is received or paid.

#### **USE OF ESTIMATES**

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### <u>CASH AND CASH EQUIVALE</u>NTS

Cash and cash equivalents include cash and cash certificates of deposit held in various unrestricted and restricted reserve accounts.

For purposes of the statement of cash flows, the District considers all highly liquid investments with an original maturity date of three months or less when purchased to be cash equivalents.

#### ACCOUNTS RECEIVABLE

Water revenue is recorded based upon customer billings and no provision has been made for the accrual of revenue from water used but not billed. The collectibility of the District's receivables is dependent upon the customer's ability to honor their obligations. However, each customer has a deposit with the District which is held as security for their unpaid balance.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### PROPERTY, PLANT AND EOUIPMENT

Property, plant and equipment are carried at cost and include expenditures for improvements and betterments which substantially increase the useful lives of existing property and equipment. Maintenance, repairs and minor renewals are expensed as incurred. Depreciation is provided for by the straight line method in amounts sufficient to relate the cost of the water and sewer system and other depreciable assets to operations, over the estimated useful lives of the assets, ranging from 5 years for equipment to 50 years for the plant facility. Depreciation expense totaled \$119,839 for 2024 and \$119,187 for 2023.

#### **INCOME TAXES**

The entity is not subject to federal or state income taxes.

#### **INVENTORY**

Inventory is at the lower of cost or market on the first-in, first-out method.

#### **RESTRICTED ASSETS**

Certain assets of the system are restricted for debt service, capital improvements and operations and maintenance of the system.

#### OPERATING REVENUES AND EXPENSES

The Water District's statements of revenues, expenses and changes in net position distinguishes between operating and nonoperating revenues and expenses. Operating revenues result from exchange transactions associated with providing water utility services. Operating expenses are all expenses incurred to provide water utility services, other than financing costs.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **NET POSITION**

Equity is presented as net position and is comprised of three components: net investment in capital assets, restricted, and unrestricted.

Net investment in capital assets consists of capital assets, net of accumulated depreciation/ amortization and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction, or improvement of those assets or related debt are included in this component of net position.

Restricted net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. Assets are reported as restricted when constraints are placed on asset use either by external parties or by law through constitutional provisions or enabling legislation.

*Unrestricted net position* is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that does not meet the definition of the two proceeding categories.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

#### **NOTE 2: RESTRICTED CASH**

The restricted funds are established for the purpose of meeting the requirements of loan agreements and city management for the purpose of insuring the Department's capability of meeting long-term debt obligations. The balances in the restricted accounts at June 30, 2024 and 2023 were as follows:

	<u>2024</u>	<u>2023</u>
Meter Deposits	\$ 44,628	\$ 44,619
Depreciative Reserve	3,652	3,652
Short Lived Assets Reserve	181,909	181,738
Debt Service Reserve	56,120	56,104
<b>Total Restricted Funds</b>	<u>\$ 286,309</u>	\$ <u>286,113</u>

#### **NOTE 3: LONG-TERM DEBT**

The long-term debt at June 30, 2024 and 2023 consists of the following:

	<u>2024</u>	<u>2023</u>
2.0% Note Payable to USDA Rural Development, due in monthly installments of \$3,652, including interest. This obligation is collateralized by the Plant Facility and Revenue Bond.	\$ 1,081,691	\$ 1,103,642
3.25% Note Payable to USDA Rural Development, due in monthly installments of \$1,017, including interest. This obligation is collateralized by the Plant Facility and Revenue		
Bond.	153,031	160,136
	1,234,722	1,263,778
Less Current Maturities	(29,734)	(29,056)
<b>Total Long-Term Debt, Less Current Maturities</b>	<u>\$ 1,204,988</u>	<b>\$ 1,234,722</b>

#### **NOTE 3: LONG-TERM DEBT (CONTINUED)**

The obligations have aggregate annual maturities as follows:

Year Ending	Pri	ncipal				
June 30	Ar	nount	<u>In</u>	<u>terest</u>	<u>T</u>	otal Paid
2025	\$	29,734	\$	26,294	\$	56,028

USDA Rural Develpmnt 91-05	167,013	-0-	(6,878)	160,135	7,104
USDA Rural Develpmnt 91-08	<u>1,125,160</u>	-0-	(21,517)	1,103,643	21,952
	1,292,173	<u>-0-</u>	<u>(28,395</u> )	1,263,778	<u>29,056</u>

#### NOTE 4: SIGNIFICANT CONCENTRATION OF CREDIT RISK

Credit risk for trade accounts receivable is concentrated because substantially all of the balances are receivable from individuals located within the same geographic region. The Department grants unsecured credit to its customers, subject to a meter deposit.

#### **NOTE 5: DEPOSITS**

At June 30, 2024, the Department's carrying amount of bank deposits was \$348,623 and the bank balance was \$352,033. The City has collateral in the form of a security agreement held by the pledging financial institution's correspondent bank in the name of the City of Swifton. There were no uninsured or uncollateralized deposits as of June 30, 2024.

#### **NOTE 6: RISK MANAGEMENT**

The District is exposed to a number of risks such as losses from natural disasters, fire, accidents, other causes and torts. Management of the City of Swifton believes it has immunity under state law from losses from torts. For material risks or losses due to other property and liability claims, the Department has transferred the risk to a third party by purchasing commercial insurance. Some insurance premiums are paid on behalf of the District by funds of the City of Swifton.

#### **NOTE 7: ACCRUED COMPENSATED ABSENCES**

It is the District's policy to recognize compensated absences when paid. Management does not consider compensated absences to be material to the financial statements. Accordingly, no liability has been accrued for the years ended June 30, 2024 and 2023.

#### **NOTE 8: CUSTOMER DEPOSITS**

Active customer deposits are held by the City of Swifton Water and Sewer District. Interest earned on deposit funds is considered to be the property of the City of Swifton Water and Sewer District. As of June 30, 2024 and 2023, respectively, the customer deposit fund totaled \$44,628 and \$44,619. At June 30, 2024 water company meter deposit funds on hand exceeded meter deposits payable by \$19,153.

#### **NOTE 9: SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 10, 2024, the date the financial statements were available to be issued.

#### NOTE 10: PROPERTY, PLANT AND EQUIPMENT

Below is a schedule of changes of property, plant and equipment for the year ended June 30, 2024:
