Management has elected to omit substantially all of the disclosures required by the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Department's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in pages 5 - 7 is presented for purposes of additional analysis and is not a required part of the basic financial statements.
